Does anyone know any history on this artist? I ask because my old friend and former vocalist for "Puzzle" who was John and was married to Judy (AKA "Shana" from KLOS radio) . I haven't seen them since 1980. They used to live in the hi desert, but the phone number is no longer working. I heard that Johnny and Shana left the country.

I did a brief search of a couple of Averil's bios, but found nothing about her up bringing. Anyone know ?

Apparently she is from Napanee in Canada, in between Kingston & Toronto, Ontario. Its a small rural town - I spent about a month there one Summer when I was around 12 @ a relative's farm...

I just got a call (strange timing) from Larry Klimas who played sax with John Lavigne in Puzzle and even tho Avril has parents with the same names, they're not the same. So I guess there is no connection.
